B BLAST PRO

SPECSHEET

120 x 5W CW & 120 x 0,6W RGB LED strobe bar

Experience the power of the Luxibel B BLAST PRO, an IP65-rated strobe bar designed for mesmerizing lighting effects in any setting. Equipped with a combination of 120x 5W Cool White and 120x 0.6W RGB LEDs, it delivers stunning colors and powerful strobes that's equally impactful during the day or night.

Its innovative locking system allows for creative positioning, while a variety of bracket accessories enhance flexible mounting and shaping possibilities. With compatibility for Art-Net™, sACN, and DMX protocols, the B BLAST PRO integrates seamlessly into any professional lighting setup, making it a versatile and powerful tool for creating dynamic and captivating visual experiences.
