PTZ Pro
With Blue Pill Inside

With dedicated buttons and knobs for all settings and actions, it's easy and quick to use. You will enjoy all the same benefits as found on PTZ Fly, while having a larger hand rest and faster, direct access.

Hardware Option:
Hall Effect joystick for increased precision and ergonomics of operation

Backlit encoders for settings in large menu display

Dedicated focus knob

Numbered keys for camera or preset selection

3-axis joystick (Hall Effect Optional)

Blue Pill Inside

Menu selector keys with user banks

Four-way buttons for camera selection or labeled preset with RGB backlight

Navigation keys for paging

SKAARHOJ Universal Controllers supports more than 120 different devices, and counting! Check out our website's "Device Core" section, to see what can be controlled at https://www.skaarhoj.com/support/device-cores. The flexible User Configuration makes it possible to assign and add the functionality you need from the controller. All controllers are IP-based, and can have Remote Control with PoE. All SKAARHOJ products are designed and built in Denmark.
